NOTE: Dean Idzerda was quoted in a 4-15-66 issue of the "Wesleyan Argus," student newspaper at Wesleyan University, as stating that the FBI had asked him for the membership list of the Wesleyan Chapter of the Students for a Democratic Society and Idzerda had refused to furnish it. Idzerda was contacted concerning this matter by the New Haven Office and claimed he was misquoted; however, a subsequent issue of the newspaper quoted him as stating that he had been contacted concerning this by the FBI and informed that there was a "misunderstanding." In view of Idzerda's indiscreet contacts with the press, it was recommended and approved by Baumgardner to Sullivan memo of 4-20-66, that he be placed on the list of persons not to be contacted without prior Bureau approval. New Haven was so advised by airtel dated 4-25-66.

Re Chicago airtel 4/19/66.

On 4/21/66, [REDACTED] INS, Chicago, advised that their service had received Chicago's letter referring them to the Bureau concerning inquiry about instant organization.

[REDACTED] advised that INS' interest in this matter started from an individual alien case in Texas, wherein the alien admitted membership in SDS.

As a result, the Texas Office in late 1965 made inquiry of the Bureau and received memoranda concerning SDS from SOG. Apparently, SOG not having been informed completely by INS as to what their problem was, referred INS to the local Texas Office of the FBI.

Specifically, what INS is trying to do is determine whether the Department intends to put SDS on the Attorney General's list. Even if such intention is only in the preparatory stage, this enables INS to put the alien case in a special category and to deny the alien's petition for naturalization.

However, apparently INS did not tell the Bureau in their name check request what their specific intent was.

It was pointed out to [redacted] that any decision concerning the citation of SDS would not be made at a local field office, but would be done by the Department.

Apparently, as a result of this one case in Dallas, Immigration has leads all over the country to various FBI offices asking for SDS reports.

ENCLOSURE

Reports Suggest Possible Inquiry Of SDS by FBI.

The campus chapter of the Students for a Democratic Society may face an investigation by the Federal Bureau of Investigation. Newspaper reports yesterday indicated that Society chapters at Wesleyan and perhaps Yale might already be under surveillance.

A spokesman for the dean of students office stated yesterday that the dean had not been approached by the F.B.I. on this issue. He commented further that the office normally does not allow student files to be investigated.

Robert G. Burlingham '67, a member of the SDS Steering Committee, suggested that the purpose of the alleged investigation was to harass and discredit the SDS.

He conjectured further that the F.B.I. was opposed to the Society's stand in opposition to the war in Vietnam and its support of radical minority and persecuted groups.

SDS Investigation

The national secretary of the Students for a Democratic Society has charged that the FBI has instituted an investigation of the student activist organization. This assertion has not been proved but it has been established that the local SDS chapter at Wesleyan has been the subject of what the FBI calls "routine inquiries" rather than investigations, a bureaucratic distinction of no particular interest to us.

What is of critical interest to us is that the FBI should scrutinize the meetings and membership lists of an organization which, though radical, is non-revolutionary and anti-authoritarian. Infiltration of such a group on the national level is possible but irrelevant

since National SDS does not determine policy for its own chapters and control of it would be meaningless. The FBI evidently doubts that the memberships who determine in concert the policy of local chapters of SDS could possibly oppose the war in Vietnam, favor conscientious objection, and yet oppose authoritarianism in its foreign, including Soviet, form and, according to SDS, its domestic form as well. But that SDS members do combine these beliefs is not only possible but true, and the illogic of doubting this lends some credence to the as yet unproven assertion that investigations are being used as a weapon to discredit recent opposition to the war in Vietnam.

Course Load Change Wins Faculty Praise

By CHUCK RAGAN
and BRUCE ZUCKERMAN

The Princetonian's recent proposal for a lightening of the course load for the undergraduate body met with generally favorable reaction from eight faculty members contacted yesterday.

The proposal in Monday's paper suggested that the reduction in the course load (not the work load) be attributed to combat "rote learning or higher level," and to encourage a wider use of such learning formats as seminars and independent work.

Stuart N. Hampshire, chairman of the philosophy department, voted strong approval of the proposal. "It seems that students are rushing from one thing to another now," Prof. Hampshire's sole reservation was that he has had little experience with the present system, and is wary comparing it with the Oxford system which operates along lines similar to that proposed in The Princetonian.

University to Build Commons Cafeteria

By LINN WILLIAMS

The university is planning to install a permanent cafeteria and renovate the loading dock area of the west side of Commons by September, 1967, Arnold W. Strohm, director of food services, announced yesterday.

The construction will be part of a three-phase effort by the university to extend the physical capabilities of Commons' serving, cooking and storing potentials.

John P. Moran '51, director of physical planning, estimated yesterday that the series of renovations would cost about one million dollars.

Permanent Cafeteria

The permanent cafeteria will be located on the second floor of a new two-story structure to be built over the present loading dock court yard. It is tentatively scheduled for completion at the end of the next academic year.

"The new cafeteria will be used for breakfast only. It is a second to the successful experimental

Dear Mr. St. Onge:

A story in today's Wesleyan Argus disclosed that the Federal Bureau of Investigation has recently been investigating the Wesleyan chapter of the Students for Democratic Society. I neither belong to the Wesleyan SDS nor do I agree with all of its viewpoints. But I sincerely believe that its members should be free from governmental coercion or harrassment.

Since the FBI refused to discuss the motivation for their investigation with the Argus, I suggest that you contact the Director and ask him why the FBI began its probe. Should their motivation be political—should you find that they began their investigation simply because the SDS has expressed opinions in opposition to the administration's foreign policy, I suggest that you introduce a resolution to make it the sense of Congress that the FBI desist from politically motivated investigations.

Where can a man's mind be free if it is not free on a college campus?

Sincerely yours,

FBI Admits Agents' Visit

Won't Say Why Two Went to Wesleyan

By BARRY RADER

MIDDLETOWN — Theodore Gunderson, deputy agent-in-charge of the FBI's New Haven office, Monday confirmed that two FBI agents visited Wesleyan University here Saturday.

"If we are criticized, we want to know where it came from," he said. But he wouldn't discuss the purpose of the visit.

However, Wesleyan Dean of Students Stanley J. Idzerda said Monday that the FBI agents asked him to retract his statement of late last week that a Thursday visit by the FBI had been a "joke" and a "hoax" and that the agents were "members of the Students for Democratic Society."

The dean said that the FBI agents asked him for the list during the nearly two-hour meeting.

"They told me that the whole thing was a misunderstanding. I asked them whether or not they had been asking for the list, but they did not give me a straight answer," said Idzerda.

Agent Gunderson said "We visit college campuses all over the country on a daily basis."

Dean Idzerda confirmed that statement, noting that anytime a Wesleyan student applies for a federal or Peace Corps job, the FBI must investigate his background.

Meanwhile, the Wesleyan chapter of the SDS has not changed its plans to hold a meeting Wednesday night to discuss the possibility of run-

ning peace candidates in the fall elections in Connecticut.

Campus sources speculate that the FBI investigation was triggered by an SDS-initiated "fast for peace" last month in which 140 students — mostly freshmen — took part.

There is, however, other speculation that the investigation was spurred by the Connecticut Citizens Anti-Communist Crusade after that group's advertisement offering a free one-way trip to North Viet Nam for demonstrators was rejected by the Wesleyan Argus, a campus paper. This rejection was in line with Argus policy of rejecting politically inflam-

matory advertising, said a spokesman.

FBI Agent Gunderson would not comment on either line of reasoning; nor would he say what possible paths might have been taken by a request for investigation of the Wesleyan chapter of SDS.

The FBI agent would not say anything about the investigation—the existence of which he would neither confirm nor deny—except that an investigation by the FBI does not necessarily imply any stigma or guilt.

INTERNAL SECURITY - C**

The Students for a Democratic Society is a militant youth organization which has been extremely active in protesting United States action in Vietnam and has received support from the Communist Party and other subversive groups. We have been conducting an investigation to determine the extent of subversive influence in the organization and in October, 1965, the Attorney General publicly announced that an investigation of the organization was being conducted.

My memorandum dated 4/19/66 advised that an article which appeared in the 4/15/66 issue of the "Wesleyan Argus," a student newspaper at Wesleyan University, quoted Dean Stanely Idzerta as stating that the FBI had asked him for the membership list of Students for a Democratic Society which the Dean refused to furnish. Subsequent to the 4/15/66 contact with Dean Idzerta, an article appeared in the 4/10/66 issue of "The New York Times" which reiterated the statements attributed to him in the "Wesleyan Argus" and quoted him as stating that he had received another visit from the FBI last Saturday at which time an Agent advised him that there had been a "misunderstanding" and asserted that the FBI was not investigating the Students for a Democratic Society but was making an inquiry into "possible infiltration of the Students for a Democratic

Since it was apparent that Dean Idzerta had been indiscreet in his contacts with the press, New Haven was instructed to have no further contact with him regarding this matter and to submit a recommendation as to whether he should be placed on the "Do Not Contact List."

New Haven has now advised that the 4/19/66 issue of the "Wesleyan Argus" contains an article on page one entitled "CBC Protest FDI Action; Writes Letter to Hoover, LBJ." This article indicates that the "College Body Committee" of Wesleyan University has written an open letter to the Director, with copies to the President, Senator Dodd (Connecticut) and Congressman Daddario (Connecticut) protesting the investigation and intimidation of groups which deviate from the Government's policy. On page eight of the same issue, there was a small one paragraph "Retraction" which merely stated that the 4/15/66 issue of the "Argus" was in error in indicating that the FBI had questioned members of the Students for a Democratic Society.

By teletype dated 4/20/66, the New Haven Office recommended that Dean Idzerta be placed on the "Do Not Contact List."

RECOMMENDATION:

(1) That Dean Stanley Idzerta, Wesleyan University, Middletown, Connecticut, be placed on the "Do Not Contact List."

(2) That this memorandum be furnished to the Crime Records Division so that Dean Idzerta can be placed on the "Do Not Contact List."

With regard to the FBI's inquiry concerning the Students for a Democratic Society, in October, 1965, the Attorney General indicated publicly that he had instructed the FBI to determine the extent of communist infiltration into this organization which is establishing chapters throughout the United States. This was the purpose of our contact with an official at Wesleyan University, and I can assure you that our investigation is being conducted in a thorough, impartial and forthright manner, is completely objective in nature, and certainly is not politically motivated.

dated 4-20-66 and captioned "Communist infiltration of Wesleyan Students for a Democratic Society, Wesleyan University, Middletown, Connecticut, Internal Security - C." Briefly, the Wesleyan University newspaper, "Argus," reported on 4-15-66 that the FBI had asked Dean Stanley Idzerda for the membership list of Students for a Democratic Society (SDS) which the Dean refused to furnish. Upon interview Dean Idzerda claimed he was misquoted and would have a retraction published in the next issue of the school paper. On 4-19-66 "The New York Times" quoted the Dean as stating he had received another visit from the FBI at which time the Special Agent advised him that there had been a "misunderstanding" and asserted that the FBI was not investigating the SDS but was making an inquiry into possible communist infiltration of the SDS. Since Dean Idzerda was indiscreet in his contacts with the press the memorandum recommended he be placed on the "Do Not Contact List." This has been done. Two other letters have been received from college students concerning this matter and are being handled separately.

AFRICAN AMERICAN HERITAGE
ASSOCIATION, Formerly known as
Afro-American Heritage Association

A source advised on May 11, 1965, that the African American Heritage Association (AAHA) with headquarters at 306 East 43rd Street, Chicago, Illinois, was known as the Afro-American Heritage Association until February, 1961. It was founded by ISHMAEL FLORY around 1958 and incorporated in the State of Illinois as a non-profit organization. It was founded ostensibly for the purpose of teaching African history and culture to American Negroes. AAHA is strongly influenced by the Communist Party (CP) of Illinois. It is represented by both communist and non-communist members, and some people with strong nationalistic tendencies. This organization reflects CP policy on some issues and opposes CP policy on others; for example, the CP rejects the concept of Afro-American as a reference term to the American Negro and rejects aspects of nationalism, both of which are reflected in the AAHA program. FLORY is a member of the CP of Illinois and theoretically under the discipline of the CP. He is the guiding force in AAHA and controls policy and decisions in AAHA.

CLAUDE LIGHTFOOT, Chairman, CP of Illinois, in 1964 spoke of a plan to beef up AAHA's membership in a concentrated drive toward making AAHA a mass organization. However, this plan never fully materialized and LIGHTFOOT currently is undecided about the matter. LIGHTFOOT has appeared at some AAHA affairs in 1964 and 1965. He occasionally meets with FLORY and he still encourages CP members to cooperate with FLORY.

A second source advised on May 6, 1965, that in 1962 the CP worked with FLORY to organize AAHA Chapters under the leadership of CP members. The aim of this program included the reactivation of ex-CP members and recruitment of new CP members. This program was never successful and became defunct in 1963.

Since 1963, the South Side area of the CP of Illinois has been holding CP meetings at AAHA headquarters. Many South Side CP members currently are members of AAHA and participate in AAHA affairs. The South Side CP groups cooperate in some AAHA affairs, especially in affairs dealing with the Negro rights movement.

He stated AIMS was being formed to operate within the scope of the McCarran and Smith Acts and would legally bring Marxist material and opinions to the attention of American scholars and the general public.

A fourth source advised that as of May 7, 1965, AIMS was located at 20 East 30th Street, New York City.

MAY 2 MOVEMENT

A source advised on March 3, 1965, as follows:

The May 2 Movement (M2M) is the name used by the May 2nd Committee which was organized on March 14, 1964, at New Haven, Connecticut, by a group of young people participating in a symposium, "Socialism in America," being held at Yale University. The original aim of the M2M was to plan and execute a demonstration in New York City on May 2, 1964, demanding withdrawal of United States troops from Vietnam.

The M2M is dominated and controlled by the Progressive Labor Party (PLP) and has as its aims and purpose the embarrassment of the United States Government by meetings, rallies, picketing demonstrations and formation of university-level clubs at which a Marxist-Leninist oriented approach and analysis are taken of United States domestic and foreign policies.

PROGRESSIVE LABOR MOVEMENT (PLM)

A source advised on April 20, 1965, that the PLP, formerly known as the PLM, held its first national convention April 15-18, 1965, at New York City, to organize the PLM into a PLP. The PLP will have as its ultimate objective the establishment of a militant working class movement based on Marxism-Leninism.

"The New York Times," City Edition, Tuesday, April 20, 1965, page 27, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the PLP. The PLP was described as an outgrowth of the PLM. Its officers were identified as MILTON ROSEN, New York, President, and WILLIAM EPTON of New York and MORT SCHEER of San Francisco, Vice Presidents. A 20-member National Committee was elected to direct the party until the next convention.

According to the article, "The Progressive Labor Movement was founded in 1962 by Mr. Rosen and Mr. Scheer after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line."

The PLP publishes the "Marxist-Leninist Quarterly," a theoretical magazine; "Progressive Labor," a monthly magazine; "Challenge," a New York City newspaper; and "Spark," a west coast newspaper.

The June 1, 1965, issue of "Challenge," page 6, states that, "this paper is dedicated to fight for a new way of life-where the working men and women own and control their homes, factories, the police, courts, and the entire government on every level."

REVOLUTIONARY COMMITTEE OF
THE FOURTH INTERNATIONAL

A source advised on September 9, 1964, that the Revolutionary Committee of the Fourth International (RCFI) was also known as the Spartacist Committee and the Spartacist Group. This source described the RCFI as being composed of former members of the Socialist Workers Party (SWP) who had split from the SWP and who were led by JAMES ROBERTSON. This source stated that this political unit has its main center in New York City, where it publishes "Spartacist" on a very irregular basis, but their formal meetings are held at least once a week.

A second source advised on March 4, 1964, that FARRELL DOBBS, National Secretary of the SWP, sent a letter to all SWP branches in February, 1964, in which he advised that the expelled leader of a minority faction of the SWP, JAMES ROBERTSON, announced on February 10, 1964, that his faction would publicly criticize the SWP and had followed this with a public organ called "Spartacist" in which they attacked the SWP.

The January-February, 1965, issue of "Spartacist," in its masthead described this publication as follows: "... published bi-monthly by supporters of the Revolutionary Tendency expelled from the Socialist Workers Party." This masthead sets forth that the editor of the publication is JAMES ROBERTSON and its main address is Post Office Box 1377, General Post Office, New York, New York.

A flyer dated April 17, 1965, issued by Spartacist reflects its address as Post Office Box 1377, General Post Office, New York, New York.

W.E.B. DUBOIS CLUBS OF AMERICA (DCA)

[REDACTED]

A second source has advised that the founding convention for the new youth organization was held from June 19-21, 1964, at 150 Golden Gate Avenue, San Francisco, California, at which time the name W.E.B. DuBois Clubs of America (DCA) was adopted. Approximately 500 delegates from throughout the United States attended this convention. The aims of this organization, as set forth in the preamble to the constitution, are, "It is our belief that this nation can best solve its problems in an atmosphere of peaceful coexistence, complete disarmament and true freedom for all peoples of the world, and that these solutions will be reached mainly through the united efforts of all democratic elements in our country, composed essentially of the working people allied in the unity of Negroes and other minorities with whites. We further fully recognize that the greatest threat to American democracy comes from the racist and right wing forces in coalition with the most reactionary sections of the economic power structure, using the tool of anti-Communism to divide and destroy the unified struggle of the working people. As young people in the forces struggling for democracy, we shall actively strive

to defeat these reactionary and neo-fascist elements and to achieve complete freedom and democracy for all Americans, thus enabling each individual to freely choose and build the society he would wish to live in. Through these struggles we feel the American people will realize the viability of the socialist alternative."

The constitution further states that this new organization shall be a membership organization open to individuals, or if five or more people so desire, a chapter can be formed which shall in turn be guided by the policies and principles of the parent organization.

As of October, 1965, the headquarters of the DCA was located at 954 McAllister Street, San Francisco, California.

Over the Labor Day weekend, 1965, the DCA held a conference in Chicago, Illinois. According to a third source, a new slate of national officers was elected at this conference, which included Chairman FUCH STERLING FOWLER, II (who, according to the third source, attended a CP cadre encampment held at Camp Midvale, New Jersey, in June, 1965, and following his election as Chairman of the DCA, attended another national CP cadre youth conference held on September 9-12, 1965, on a farm located in Northern Indiana, according to a fourth source); Director of Publicity CARL ELLENGER ELOICE (who was elected to the San Francisco County Committee CP in April, 1964, according to a sixth source); Organizational Secretary TERENCE "RAYO" EALLINAN (who, according to a seventh source, met in June, 1965, with the District Staff of the Illinois CP to discuss the proposed DCA Midwest Summer Project), and Treasurer SUSAN PHYLLIS BORENSTEIN (who, according to an eighth source, has attended meetings of the Youth Club of the CP of Illinois during 1965 in connection with the DCA Summer Project).

WISCONSIN SOCIALIST CLUB

On December 10, 1957, a source described the Wisconsin Socialist Club (WSC) as then a duly registered and authorized student campus organization at the University of Wisconsin (UW) with a chapter membership of 21, including MATTHEW CHAPPERON and RONALD RADOSH, who prior to the dissolution of the Labor Youth League (LYL) were publicly known as officers of the UW chapter of the LYL. On November 30, 1960, a source identified MATTHEW CHAPPERON as then a member of the State Committee of the Communist Party of Wisconsin (CPW).

On June 23, 1958, another source described the WSC as an organization founded primarily on principles closely allied with those of English socialists, with many of its members genuine socialists, but source observed there existed a pro-Marxist element in the club, including CHAPPERON and RADOSH, which element had taken the lead in policy-making functions of the WSC. On September 20, 1960, this source reported that RADOSH and CHAPPERON had been elected President and Secretary, respectively, of the WSC for the 1960-1961 school year.

The September 25, 1962, issue of the "Daily Cardinal," student organ at the UW, identified the 1962-1963 officers of the WSC as JUDD GINSBERG, President; GENE DENNIS, Vice President; DOUGLAS KORTY, Treasurer; and ELSIE CHANDLER, Secretary. The "Daily Cardinal", issue of February 6, 1963, reported that JUDD GINSBERG had been suspended from the UW for reporting a false address in Madison to the UW and living in an apartment in violation of the UW rules. Another source advised on February 20, 1963, that PAUL BREINES had taken over GINSBERG's position as President of the WSC.

PAUL BREINES' father was described by MARTIN DIES, of the U.S. House of Representatives in 1941, as affiliated with organizations and publications which have been cited as Communist fronts. GENE DENNIS is the son of EUGENE DENNIS, who at the time of his death in February, 1961, was National

Issues of the "Daily Cardinal" during the 1962-1963 school year indicated that WSC continued to function as a student campus organization, and during 1962-1963 sponsored off-campus speakers including HERBERT APTHEKER, described by the "Daily Cardinal" as "leading spokesman for the American Communist Party," and DANIEL RUBIN, identified by another source in October, 1962, as National Youth Director, CP, USA, and a member of the National Committee, CP, USA.

A source advised in late November, 1959, that the Young Socialist Alliance-Chicago (YSA-C), formerly known as Young Socialist Supporters, had its origin in a series of informal discussions held in Chicago prior to June, 1959, among individuals who were close to the Socialist Workers Party (SWP).

The YSA-C as of November, 1959, proclaimed itself to be a city-wide revolutionary youth organization designed to build socialism in America and aimed toward youth on college campuses in the Chicago area and as being independent of all adult groupings.

According to a second source in May, 1965, the YSA-C, also known as the University Young Socialists, was considered the youth group of the Chicago Branch SWP and affiliated with the national organization of the YSA in New York. The YSA-C officers as of May, 1965, were current members or sympathizers of the Chicago SWP.

YOUNG SOCIALIST ALLIANCE

The May, 1960, issue of the "Young Socialist" (YS), page 1, column 3, disclosed that during April 15-17, 1960, a national organization entitled "The Young Socialist Alliance" was established at Philadelphia, Pennsylvania. This issue stated that this organization was formed by the nationwide supporter clubs of the publication YS.

The above issue, page 6, set forth the Founding Declaration of the YSA. This declaration stated that the YSA recognizes the Socialist Workers Party (SWP) as the only existing political leadership on class struggle principles, and that the supporters of the YS have come into basic political solidarity with the SWP on the principles of revolutionary socialism.

A source advised on May 7, 1965, that the original YSA was an organization formed during October, 1957, in New York City, by youth of various left socialist tendencies, particularly members and followers of the SWP. The leaders of this group were the guiding forces in the establishment of the national organization.

The source further advised on May 7, 1965, that the YSA is dominated and controlled on a national basis by the SWP through having SWP members comprise exclusively the National Executive Committee (NEC) and through an official SWP representative at all YSA NEC meetings. The YSA, in reality, is the youth and training section of the SWP and the main source of new SWP members.

The headquarters of the YSA are located in Room 535, 41 Union Square West, New York City.

The SWP has been designated pursuant to Executive Order 10450.

DEMONSTRATIONS BY "FREE" AND
STUDENTS FOR A DEMOCRATIC
SOCIETY, 822 HINMAN AND 526
MAIN, EVANSTON, ILLINOIS,
APRIL 22-23, 1966

[REDACTED] b7D
[REDACTED] on April 21, 1966, stated that W. Vaughn Stapleton, age 28, white, recently stated he would leave his apartment at 822 Hinman Avenue, Evanston, Illinois, because the owners of that building refused to rent to a Negro family. Stapleton, a sociologist working for the National Council of Juvenile Court Judges, Chicago, Illinois, stated that he and the Negro family involved planned to file a complaint against Phelan Company, real estate agency, charging them with "unethical practice." According to Stapleton, a copy of this joint complaint will be sent to the Evanston Council on Human Rights, the Illinois Rights Commission and the Federal Commission on Human Rights. Stapleton said that the Negro family was told by agents for the Phelan firm that the vacant apartment at the Hinman address was rented when Stapleton knew that it was not.

As a result of the above a protest was being organized by civil rights groups known as "FREE", represented by George Vickers and Reverend Emory G. Davis, Bethel AME Church, Evanston, Illinois. FREE is allegedly being backed by the Students for a Democratic Society. These groups and possibly members of the Hinman Avenue block group will picket the 822 Hinman building in groups of five or six in shifts from 10:00 AM to noon, from noon to 2:00 PM, from 2:00 PM to 4:00 PM and from 4:00 PM to 6:00 PM, on April 22 and 23, 1966. Their activities will be

observed by group captains. NBC TV will be present on April 22, 1966, at 12:00 noon to afford coverage. The Phelan Realty Office, 526 Main Street, Evanston, Illinois, will likewise be picketed on April 22 and 23, 1966.

A Special Agent of the Federal Bureau of Investigation (FBI) observed the demonstrations at 822 Main and 526 Main, Evanston, Illinois, on April 22, 1966. The demonstrators gathered at 822 Main and approximately 25 were present at 10:00 AM when the demonstration began. A number of demonstrators walked to 526 Main periodically and demonstrated there sporadically during the day. Demonstrators at 822 Main maintained numbers until after TV coverage at noon, then drifted to about the demonstrators until they dispersed at 4:30 PM. The Evanston Police Department was also present. The demonstrators were peaceful and no arrests were made.

The same Special Agent observed the demonstrations at 822 Main, Evanston, Illinois, on April 23, 1966. The demonstrators gathered at 822 Main at 10:00 AM. They remained at 822 Main until 4:30 PM, at various times with the demonstrators walking at 822 Main and up to 526 Main. The demonstrators dispersed at 4:30 PM, were peaceful and no arrests were made. The Evanston Police Department also observed the above demonstrations.

Res. 619) last October calling for an investigation of this organization. He stated "I was pleased to read in yesterday's New York Times that the national secretary of the society is squirming in protest over probes into their activities by the Federal Bureau of Investigation. I welcome the FBI into the picture for I have every confidence in that agency. . . . This investigation is long overdue and I hope there will be no foot dragging until it is concluded." Dear Senator Ribicoff:

You will find enclosed a clipping from today's Hartford Courant concerning the Federal Bureau of Investigation's probe of the Wesleyan chapter of the Students for Democratic Society, a subject about which I wrote to you last Friday.

According to the clipping, the FBI agents again visited our campus yesterday and asked the dean "to retract his statement of late last week that a Thursday visit by the FBI had been to procure a list of the 15 members of the Wesleyan chapter of the Students for Democratic Society." To ask our dean to do this, it seems to me, is to ask him to compromise his respect for the truth. Perhaps this respect may not seem essential in the political world. In the academic world, what else is there?

In light of this new development, I feel it even more imperative that you ask the Director of the FBI for the truth concerning the whole matter. What was the motivation for the original probe? Why was it suddenly called off when word about it was first published? Why does the FBI now apparently want to deny that it ever took place? Now that these questions have been raised, they must be answered truthfully if our political and social structure is to remain honest.

Thank you for your interest.

Sincerely yours

FBI Admits Agents' Visit

Won't Say Why Two Went to Wesleyan

By BARRY RADER

MIDDLETOWN — Theodore Gunderson, deputy agent-in-charge of the FBI's New Haven office, Monday confirmed that two FBI agents visited Wesleyan University here Saturday.

"If we are criticized, we want to know where it came from," he said. But he wouldn't discuss the purpose of the visit.

However, Wesleyan Dean of Students Stanley J. Idzerda said Monday that the FBI agents asked him to retract his statement of late last week that a Thursday visit by the FBI had been to procure a list of the 15 members of the Wesleyan chapter of the Students for Democratic Society.

The dean said that the FBI agents asked him for the list during the nearly two-hour meeting.

"They told me that the whole thing was a misunderstanding. I asked them whether or not they had been asking for the list, but they did not give me a straight answer," said Idzerda.

Agent Gunderson said "We visit college campuses all over the country on a daily basis." Dean Idzerda confirmed that statement, noting that anytime a Wesleyan student applies for a federal or Peace Corps job, the FBI must investigate his background.

Meanwhile, the Wesleyan chapter of the SDS has not changed its plans to hold a meeting Wednesday night to discuss the possibility of running for demonstrators was rejected by the Wesleyan Argus, was in line with Argus policy of rejecting politically inflammatory advertising, said a spokesman.

FBI Agent Gunderson would not comment on either line of reasoning; nor would he say what possible paths might have been taken by a request for investigation of the Wesleyan chapter of SDS.

The FBI agent would not say anything about the investigation—the existence of which he would neither confirm nor deny—except that an investigation by the FBI does not necessarily imply any stigma or guilt.

Dear Mr. Hoover:

It has been brought to our attention that the FBI recently placed the Students for a Democratic Society chapter at Wesleyan under observation. An FBI agent requested the names of members of SDS here; this request was refused by the Dean of the College.

The purpose of this letter is to express the agreement of the student body with this refusal. As far as can be ascertained, SDS has not been deemed subversive by any governmental organization. We feel that, while we may not agree with the SDS program, SDS may well serve a useful function. A free society is not long free when critics of its policy are intimidated.

We feel that it is not the function of a governmental organization to investigate and intimidate groups which deviate from the government's policy. When this does occur, the government subverts our democracy from within.

The College Body Committee, representing the student body of Wesleyan University, therefore wishes to register with you its strong protest of your actions here. The FBI investigation is extremely hostile to the goal of academic freedom, and to any free society itself.

My dear Congressman:

In response to your letter of April 22, 1966, the Attorney General stated publicly in October, 1965, that he had instructed the FBI to determine the extent of communist infiltration into the Students for a Democratic Society, which was establishing chapters throughout the United States. This was the purpose of our contact with an official of Wesleyan University, as reported in "The New York Times" on April 19, 1966. Furthermore, Wesleyan and Yale universities were not singled out for our investigations concerning communist infiltration of the Students for a Democratic Society.

You can be assured that these investigations are initiated in a straightforward manner without apology to anyone and are conducted objectively, truthfully and impartially to determine the facts, which are then furnished to the Department of Justice for its determination as to whether prosecution or further action is warranted. In performing its duties, the FBI has not and will not exceed its authority, neither will it shirk its responsibilities.

Sincerely yours,
J. Edgar Hoover

1 April 1966

Mr. J. Edgar Hoover
Federal Bureau of Investigation
Washington, D. C.

Dear Mr. Hoover:

It has been brought to our attention that the FBI recently placed the Students for a Democratic Society chapter at Wesleyan under observation. An FBI agent requested the names and members of SDS here; this request was refused by the Dean of the College.

The purpose of this letter is to express the agreement of the student body with this refusal. As far as can be ascertained, SDS has not been deemed subversive by any governmental organization. We feel that, while we may not agree with the SDS program, SDS may well serve a useful function. A free society is not long free when critics of its policy are intimidated.

We feel that it is not the function of a governmental organization to investigate and intimidate groups which deviate from the government's policy. When this does occur, the government subverts our democracy from within.

The College Body Committee, representing the student body of Wesleyan University, therefore wishes to register with you its strong protest of your actions here. The FBI investigation is extremely hostile to the goal of academic freedom, and to any free society itself.

We hope that you will correct this mistake, and inform us of any change of policy in this matter when it occurs.

Sincerely,

Dear [REDACTED]

In response to your letter of April 18, the Attorney General stated publicly in October, 1965, that he had instructed the FBI to determine the extent of communist infiltration into the Students for a Democratic Society which was establishing chapters throughout the United States. This was the purpose of our contact with an official of Wesleyan University, and at no time was any attempt made to intimidate any student or official of the University. To say so is a misrepresentation of the truth of the matter.

Your statement that the "FBI investigation to the goal of academic freedom" is not only utterly false but also is so irresponsible as to cast serious doubts on the quality of academic reasoning or the motivation behind it.

With regard to your purported concern for academic freedom I direct your attention to a statement I made in the April, 1962, issue of "New York State Education":

"...the role of education is to nurture freedom of thought and the spirit of inquiry. The individual is encouraged not only to carefully study accepted traditions and ideas but to vigorously pursue avenues leading to new and fresh knowledge. Such education will undoubtedly help him to become a more responsible and valuable citizen of society...."

It would appear that informed citizens would be well aware that, under laws enacted by Congress, Presidential

Directives and the instructions of the Attorney General, the FBI is responsible for investigating subversive activities of individuals and organizations. These investigations are initiated in a straightforward manner without apology to anyone and are conducted objectively, truthfully and impartially to determine the facts which are then furnished to the Department of Justice for its determination as to whether prosecution or further action is warranted. An FBI investigation of certain members of an organization is not a judgment but a gathering of facts to be studied by duly constituted legal authorities. In performing its duties, the FBI has not and will not exceed its authority; neither will it shirk its responsibilities.

Sincerely yours,

J. Edgar Hoover

NOTE: We are conducting an investigation of the Students for a Democratic Society, a militant youth group, to determine the extent to which local chapters are infiltrated by the Communist Party or other subversive groups. On February 23, 1966, upon receipt of information that a local chapter of the Students for a Democratic Society had been formed at Wesleyan University, Middletown, Connecticut, an FBI representative contacted Dean Stanley Idzerda, [REDACTED] to determine whether the Wesleyan Chapter had filed any notice with the University administration regarding its aims, purposes, and officers. Idzerda stated that no such statement had been filed nor is any such statement required by the University. Subsequently, the student newspaper at Wesleyan University quoted Idzerda as stating that the FBI had asked him for a membership list which he had refused to furnish. Later, Idzerda was recontacted concerning this statement. He claimed that he was misquoted by the newspaper and promised to have a retraction printed. No retraction was printed, however, and the latter contact by FBI Agents was reported subsequently in "The New York Times." As a result, Idzerda was placed on the Bureau's "Not To Contact List." Correspondent Blumenson and his fellow members of the College Body Committee - 2 - identified on the [REDACTED] letter are not identifiable in Bureau files. Two other letters have been received regarding this situation at Wesleyan University and are being handled separately.

Mr. Tolson has requested information regarding the circumstances under which the Attorney General publicly commented regarding the FBI's investigation of the Students for a Democratic Society (SDS).

The "Washington Post's" issue of October 18, 1965, contained a front-page article reporting that Attorney General Katzenbach held a news conference in Chicago on October 17, 1965, at which time he indicated that communists are active in marches and demonstrations protesting America's presence in Vietnam and that "some communists and some persons very closely associated with communists" were found working for the SDS. He indicated a probe was being made and that he was awaiting results of the investigation to determine the strength of the SDS and whether there are any direct ties between the SDS and the Communist Party. As a result of this newspaper clipping, a memorandum was sent to the Attorney General on 10-19-65 referring to the clipping and pointing out that the FBI had been investigating the SDS since February, 1965, and that all information developed had been furnished to the Department and the reports were identified.

By routing slip to the Director dated February 4, 1966, Mr. Tolson stated "Mr. Sullivan states that the Students for a Democratic Society can be referred to as a youth group with active communist infiltration." The Director noted "I am glad we can at least go this far as to this 'rat pack'. H"

The Bureau has previously requested all offices to immediately institute investigation to identify all persons connected with the SDS. All offices receiving this communication are requested to open an active case on persons involved from their territory, if not already done.

Since this list of delegates consists of persons who are active leaders in the SDS throughout the country, every consideration should be given to the possibility of developing any of them as informants in the SDS.

Pending completion of investigation of each delegate, the interested office should immediately prepare a brief background and subversive characterization, where possible, on each delegate in their territory and submit the same to Chicago and the Cincinnati Office.

In addition, all offices are requested to assist Chicago in determining the identity of MARY MATSON of "Washington Comm." and TERESA DAVIS of "Mann Comm." and to advise Chicago and Cincinnati where these two individuals presently are residing. The office of residence of these two individuals should submit background and brief subversive characterizations on these two delegates. b7c

The Chicago Office is opening cases on [REDACTED] who reside in the Chicago area.

New cases on [REDACTED] are being opened for identification.

FROM : J. H. Gale

SUBJECT: SELECTIVE SERVICE QUALIFICATION TESTS
SELECTIVE SERVICE MATTER

Through our security informants covering the activities of the Students for a Democratic Society, we have been alerted to a proposed plan on the part of this organization to defeat the purpose of the nation-wide Selective Service examinations. Three examinations are to be given over a three-week period beginning May 14, 1966, at 1,200 testing stations throughout the country for students seeking draft deferments.

We have discussed this matter with the Department and they advise that any efforts to disrupt such testing would be a violation of the Selective Service Act in that individuals participating in such activities are interfering with the administration of the Selective Service Act.

Inasmuch as most of this testing will be done on college campuses, it is believed advisable to issue instructions to the field in order to cover these possible violations without embarrassment or criticism of the Bureau. In this connection, it is felt the field should be instructed that, under no circumstances, should Agents be assigned to testing stations for the purpose of detecting possible violations. Also, Agents are not to enter testing stations during actual tests. Individuals monitoring the test or others who witness attempts to interfere with it are to be interviewed away from the area. The results in each instance will be promptly furnished the United States Attorney. The field is to promptly advise the Bureau of each incident of this nature.

The "New Left Notes," weekly publication of the SDS, 1103 East 63rd Street, Chicago, Illinois, volume I, number 13, April 15, 1966, issue on pages one and three carries an article entitled "N C Report". This article reveals that the SDS at its National Council (NC) meeting held at Antioch College, Yellow Springs, Ohio, April 8-10, 1966 was faced with the dilemma of whether or not they should propose a national SDS program to boycott (and even use militant means) the May 14, 1966 Selective Service examinations. The proposal for the boycott called the "Paul Booth Amendment" was undecided by the national leadership and the proposal was sent to each chapter for an opinion.

However, at the same NC meeting, the SDS did adopt a major national program preparing its own examination on the war. This examination, being prepared at Ann Arbor, Michigan, will contain questions submitted by persons solicited by SDS regarding the war. A factual answer sheet will accompany the examination questions and both items will be distributed to some 2,500,000 persons taking the Selective Service examination on May 14, 1966 at some 1700 examination centers.

The SDS, according to the article, will make May 14, 1966 a day of national protest against the war. The examination is to be prepared in a week to ten days. Ideas for questions are to be sent Mike Locker, 203 West Hoover, Ann Arbor, Michigan.

Page 3, column 2, of the same newspaper states that at the April 8-10, 1966 NC meeting in Antioch, Ohio, the motion stated below passed as an amendment to the Viet Nam examination program, which was adopted. Sentiment in favor of the national program around the draft examination was practically unanimous. Paul Booth offered the amendment in question; after close to six hours of debate it passed by a vote of 39 to 29.

The next morning a motion to reconsider was made, which failed 22 to 30. Subsequently, the NC decided to submit the Booth amendment to the NC by mail ballot to give the NC another chance to vote after holding chapter meetings and consulting with local members.

The amendment to be voted on, which votes are to be counted on April 23, 1966, is as follows:

"We are opposed to the Selective Service exam; we will not participate in it; and we urge other young men not to take it. We do this because we oppose the war in Viet Nam."

Paul Booth

[REDACTED] b7D
that the name of Paul Booth of the SDS appeared on a list of "progressive leaders" who had pledged support in the W.E.B. Du Bois Clubs of America fight against the action of the Attorney General.

The "New Left Notes", volume I, number 13, April 22, 1966, issue, page three, contains an editors note that "The National Council referendum on the 'so-called Booth Amendment' does not affect the organization's commitment to the Viet Nam exam program which should proceed ahead at full-speed."

The "New Left Notes", volume I, number 15, April 29, 1966 issue, on page eight under heading "National Office Report" states that the Booth amendment, the proposal to commit the SDS to organize a boycott of the Selective Service examination failed in the NC mail ballot; 21 for, 61 against, with two abstentions."

The same issue on pages one and three in article entitled "Coordination Exam Program" states that the SDS national office in Chicago will coordinate the Viet Nam exam program.

According to the article, the exam and its distribution at 1700 exam centers is national. It is a skeleton to which local chapters and groups can add their programs. The program will get much national publicity and will unite protests at exam centers for a maximum national impact. It should also be a very good vehicle for local publicity for local programs that are being carried out.

The exam is on one sheet of paper, two sides, with about two dozen questions. Most of the questions are factual and deal directly with the war. Others deal with the draft, individuals reaction to it and war. It will be similar in format to a college board-type test. It will be accompanied by an answer sheet of the same length which will cite references and give sources for further inquiry. SDS chapters should determine where examination centers are located and plan "demonstrations, vigils, speeches, teach-ins, lit (literature) tables, etc." Continuing the article states that before the draft exam itself much preparation and groundwork should be laid. Here are a few suggestions:

STUDENTS FOR A DEMOCRATIC SOCIETY (SDS)**

**SELECTIVE SERVICE MATTERS
STUDENTS FOR A DEMOCRATIC SOCIETY**

" 1. Speakers, forums, panels, should be set up to raise the issues of the Viet Nam war, the authoritarian nature of the draft, etc.

" 2. Leaflet the campus announcing the coming of the exam, its undemocratic nature, the involvement of the university, alternatives to the draft, the nature of the war, the proposed Viet Nam Exam, etc.

" 3. Contact other organizations and allies that should be involved. Peace groups, liberal churches, faculty, student government, community organizations, civil rights organizations. They should be encouraged to participate in the planning and carrying out of the whole program. Civil rights groups (with recent statements of SNCC and SCLC) and faculty deserve particular attention.

" 4. Freedom Draft Cards, available from the N. O., can be used to assert the point that the fight for freedom and humanity is not in Viet Nam but right here at home.

" 5. Faculty and the university can be urged and pressured not to cooperate with Selective Service. That might mean refusal of universities to turn in grades or ranking, or even the abolition of ranks or grades.

" 6. Marches and demonstrations might be organized to draft board offices, home offices of congressmen and other decision makers, demanding that they take the test to demonstrate their competence."

In conclusion the article states that offset plates to print exams can be obtained from the SDS, Chicago; SDS, 942 Howard, San Francisco, California; SSOC, Box 6403, Nashville, Tennessee; SDS, 49 West 27th Street, New York City, New York; SDS, Room 199, 1785 Cambridge Street, Cambridge, Massachusetts;

SDS, 1212 Ohio Street, Lawrence, Kansas; NCC, 420 West Washington, Madison, Wisconsin; Charles Uphoff, 705 Marine, Boulder, Colorado; Joe Weiner, 4415 Sanson, Philadelphia, Pennsylvania; Paul Millman, Antioch College Union, Yellow Springs, Ohio; Lee W. Smith, 507 29th Avenue, South Minneapolis, Minnesota; Paty Griffith, 112 Orchard, Ithaca, New York; and John Coyle, 610 Anchor, Beaumont, Texas.

they will consider and then disclaim a national policy of boycotting the forthcoming Selective Service examination, they will state that they are leaving the matter up to individual members and chapters as to the calling of a boycott and how far these individuals and chapters can go. SDS nationally will disclaim any responsibility for individual members or chapters' actions. They will, however, relish any publicity they can get from the threat or isolated instances of carrying out such a boycott. This is nothing new and is the line followed by the national office of the SDS during the "ferment" created over the recent wave of draft card burnings.

_____ stated that he has received information that a number of peace groups in the Chicago area are planning on carrying out a program, including a possible boycott, etc., directed against the Selective Service examinations. On the day of the Selective Service exam these organizations are planning picket protests, etc.

Exact nature and extent of the protests by these organizations at the present time have not been crystallized.

A second source has advised that the founding convention for the new youth organization was held from June 19-21, 1964, at 150 Golden Gate Avenue, San Francisco, California, at which time the name W.E.B. DuBois Clubs of America (DCA) was adopted. Approximately 500 delegates from throughout the United States attended this convention. The aims of this organization, as set forth in the preamble to the constitution, are, "It is our belief that this nation can best solve its problems in an atmosphere of peaceful coexistence, complete disarmament and true freedom for all peoples of the world, and that these solutions will be reached mainly through the united efforts of all democratic elements in our country, composed essentially of the working people allied in the unity of Negroes and other minorities with whites. We further fully recognize that the greatest threat to American democracy comes from the racist and right wing forces in coalition with the most reactionary sections of the economic power structure, using the tool of anti-Communism to divide and destroy the unified struggle of the working people. As young people in the forces struggling for democracy, we shall actively strive to defeat these reactionary and neo-fascist elements and to achieve complete freedom and democracy for all Americans, thus enabling each individual to freely choose and build the society he would wish to live in. Through these struggles we feel the American people will realize the viability of socialist alternative."

[REDACTED]

The constitution further states that this new organization shall be a membership organization open to individuals, or if five or more people so desire, a chapter can be formed which shall in turn be guided by the policies and principles of the parent organization.

As of October, 1965, the headquarters of the DCA was located at 954 McAllister Street, San Francisco, California.

Over the Labor Day weekend, 1965, the DCA held a conference in Chicago, Illinois. According to a third source, a new slate of national officers was elected at this conference, which included Chairman HUGH STERLING FOWLER, II (who, according to the third source, attended a CP cadre encampment held at Camp Midvale, New Jersey, in June, 1965, and following his election as Chairman of the DCA, attended another national CP cadre youth conference held in September 9-12, 1965, on a farm located in Northern Indiana, according to a fourth source); Director of Publicity CARL ELLENGER BLOICE (who was elected to the San Francisco County Committee CP in April, 1964, according to a fifth source); Educational Director MATTHEW "DYNAMITE" HALLINAN (who in June, 1964, was stated to be the Youth Representative on the Northern California CP District Board, according to a sixth source); Organizational Secretary TERENCE "KAYO" HALLINAN (who, according to a seventh source, met in June, 1965, with the District Staff of the Illinois CP to discuss the proposed DCA Midwest Summer Project), and Treasurer SUSAN PHYLLIS BORENSTEIN (who, according to an eighth source, has attended meetings of the Youth Club of the CP of Illinois during 1965 in connection with the DCA Summer Project).

APPENDIX

W.E.B. DU BOIS CLUBS
OF CHICAGO (DCC)

On May 3, 1965, a source advised that on June 30, 1964, a group of young people who attended the founding convention of the W.E.B. DuBois Clubs of America (DCA), met in Chicago and adopted a statement of purpose and constitution forming the DCC as an affiliate of the national DCA.

This source further advised that at a meeting of the Chicago Area of the Midwest Region of the DCA held April 3, 1965, the boundary of the Chicago Area was established to include all of Illinois north of Springfield, Illinois, and all of Indiana. At this meeting, TED PEARSON, Chairman of the Youth Club of the Communist Party of Illinois, was elected Area Coordinator.

A second source advised on November 26, 1965, that as of November, 1965, TED PEARSON continues to be the Chicago Area Coordinator of the DCA and the official headquarters is located at the PEARSON apartment, 1808 North Cleveland Avenue, Chicago, Illinois.

The second source advised that there is currently only one club operating in the Chicago Area and that is on the west side. This club operates a Freedom Center at 2829 West Lake Street, which is open seven days a week to the teenagers on the west side.
